# From Their Excellencies

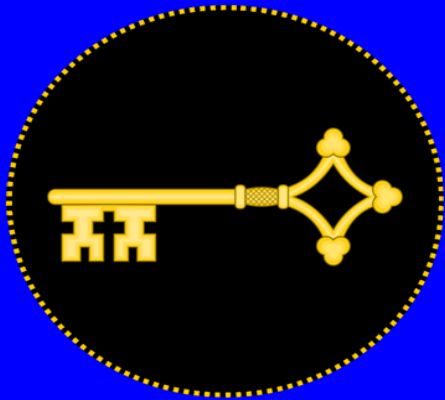

**Good Ravens,**

As you read this missive, the great war to the North of our fair Kingdom is underway. Many Ravens have made the journey to fight beside our King and Queen as they protect our Kingdoms interests. Upon their safe return we will begin making preparations for a seemingly busy event season. Lets all pull together and make this year as successful and enjoyable as the past. We hope to see each of you having a good time as you attend what events you are able.

**Your Baron and Baroness,**

**Lochlainn and Edan**

## From the Seneschal

**Hello Ravens,**

**I hope all is well. It has been a crazy wet summer, but it has been fun. We have a lot of fun things coming down the pike. Pennsic is just around the corner and for those that are going have fun and hope to see you there. Baronial Birthday will soon be upon us. Please, if you have any questions about what you can do to help or more about the event please message Lord Juan. I'm excited about what we have coming up and all the new faces that I've been seeing. Please do not forget to nominate people for Baronial and Kingdom awards. Y'all be safe and have fun this summer. Now, back to packing and prepping for Pennsic.**

**In Service,**

**Lord Knutr Vakrsson**

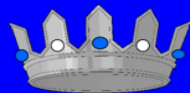

## From the Ministry of Arts & Sciences

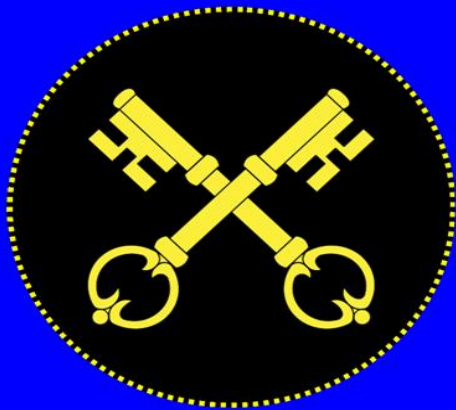

**Greetings Ravens!!**

**Summer is well underway, though the recent rainy weather makes it seem otherwise. Please note that boat building does fall into the category of arts and sciences. Our Baronial Birthday is fast approaching and there are 2 competitions for your pleasure. The first is Baron Lochlainn's much anticipated "Up Your Game" competition which will be open to Ravens only. The other is "What would you bring back from a Crusade?", open to all. There will be competitions for the youth as well. For more information about our upcoming competitions, please look at the event website or contact the A&S coordinator, Lady Alexandria de Luce. I am also pleased to report that our second quarter report was in to the Kingdom MOAS and she is well pleased with the artistic and scientific activities here in our Barony. She has also charged us with keeping up the great work. I am confident that we can meet and exceed Lady Marion's charge. I look forward to seeing all the wonderful things that the Cove makes at our Baronial Birthday!**

**Baroness Olwen**

from the Chateleine

**Hello Ravens,**

**This month has been much slower for outreach, as most of us are preparing for War. There has been a couple impromptu Newcomer classes held at fighter practices. Everyone going to War, please travel safely, stay hydrated, and try to volunteer some time at Newcomer's Point!**

**Lady Arria Marina**

## from the Chronicler

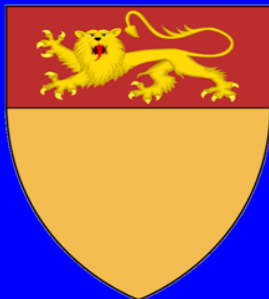

**Greetings Ravens and to All,**

**Pennsic War is upon the northern Kingdoms. Kingdom of Atlantia has knights, men-at-arms, and many warriors there supporting our King & Queen. Our Ravens will do us proud because they were born to fight and born for victory!**

**As always, I await your tales, pictures, stories from abroad to fill our hearts and these pages with your adventures. Drop me an email or two or three with them at RavensChronicler@gmail.com anytime!**

**I remain in your service,**

**Lord Lothian ap Lyonesse**

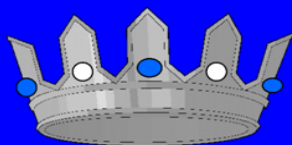

## From the Knight Marshal

**My fellow Ravens,**

**By time you read these words, I shall be on my way, far to the North fighting under Atlantian Banners at the Pennsic War. My thoughts are never far from home, or our many fighters. When I return we shall begin having Friday Baronial Practices at 6:30 in Jacksonville. Please keep your eyes on our website calendar for locations. For August the Friday dates shall be the 17th, and the 31st. Other practice dates may be added, if you need to borrow loaner gear, please check a day in advance with the marshal or host. I encourage you to attend other practices throughout the region as you can. Don't forget that their Excellencies are looking for a new Baronial Champion in September, and I encourage you to take the field in this endeavor. As always, stay hydrated, check your gear, and keep training.**

**Your Knight Marshall,**

**Baroness Ingegerd Kastanrazi**

## From the Herald (Golden Raven)

**My fellow Ravens of the Cove,**

Several of our Ravens have submissions to the Atlantia College of Heralds and Scribes for approval to Laurel. These submissions take time. Sometimes they are returned for minor repairs to names or devices but, fear not because these great Heralds are there to help our Kingdom and you with the best creations possible.

Remember when you submit, you must have a registered SCA name or you can submit name & device together, which a lot do. Some of you utilize "Heralds' Point" at events which is a great way to submit as well. Any Herald can aid you with your submission, as I, and will always be there to assist with anything you might need for it.

Event season is quickly approaching us with Birthday, Coronation, and WOW. I hope we are all ready or shall be ready soon.
