Greetings from your Baron and Baroness,

Summer is upon us and we have received news of our returning Ravens from Ruby Joust. Our warriors represented the Barony well by fighting in many Tournaments.... Lord Knutr placing a very respectable 3rd in the Novice Tourney. Lord Hrothgar is now authorized in Great Weapon....and so adds to the might of our forces. Var fought valiantly but succumbed to the foe that is the summer heat.

Additionally, our artisans were well represented as Lady Alexandria entered a lovely dress in the Ruby A&S competition.

During this time of great heat please remember to hydrate even when doing the smallest of tasks outdoors. We hope to be finalizing a regular fighter practice in Jacksonville with the help of Baroness Ingegerd. As well as scheduling regular A&S sessions and classes with Baroness Olwen.

Thanks to our Demo at the Strawberry Festival we have added to our populace.... please make them feel welcome as they are now part of our family.

We look forward to spending the summer at gatherings preparing for the War that once again looms on the horizon. There is threat of possible invasion of our lands to secure possession of our much-valued port. Be wary....and stand by for more word to come.

Lochlainn and Edan

Ravens,

This past month has been a busy one. A lot of kingdom of events and other business happening. We will be having our populace meeting for June at Lord Juan's home check the post at the back of the Cry for details. I want to say that Congratulations to our newest Raven Emerick for getting married. I'm very happy for him and his new wife. June should be a little slower pace. I know that Ashley Brooks who came by not too long ago about the 4 H camp is excited for us to help out. Please, if you can come and help out with the kids do so. Also, the fighter practices at Union Point in New Bern have been great. Thanks to all that have and do come out. Overall, I'm having a blast with the cove and I want to thank all of you. Remember to recommend people for awards both in the Barony and Kingdom

In Service,

Knutr Vakrsson

From the Chatelaine

Ravens,

This month we had a very successful demo at the Strawberry Jam Demo! I made billboards and tear-tab flyers, plus over 1000 handouts. We passed out 350 handouts to groups of people, about 50 tabs were torn off the flyers, and I've been in email contact with 7 individuals who signed up for more info. Great job everyone! Remember to look through your SCA garb, accessories, and feast kit supplies with an eye towards what you can give to Gold Key. Our stock is tattered and in desperate need of replacement. I challenge everyone to provide one outfit to the loaner garb bins!

Yours in Service,

Lady Arria Marina

From the Minister of Arts & Sciences

Greetings Ravens!!!

As we move from spring to summer and the weather gets (much) warmer, thoughts turn to war, however there is always time for arts and sciences!. At this past Ruby Joust, there were many A&S activities going on, including a wonderful fiber solar. Many congratulations to Lady Alexandria for her first A&S entry. Her Italian gown was lovely. There was an impromptu armoring/ A&S day at Their Excellencies' for those who couldn't attend Ruby Joust. Our next A&S gathering will be June 30 at Baroness Ingegerd's, for beginning glass bead making. Keep in mind that the second quarter report is due in June, so please tell me about the amazing things you're doing!!

Yr eiddoch yn gywir,

Baroness Olwen

From the Herald (Golden Raven)

Great Ravens of the Cove,

I bid you all greetings and bring you news of your submissions this month. The Letter of Acceptances & Returns has been posted so, those of you who have submissions should look to your emails for this Letter from the Atlantia College of Heralds.

If you have not received such an email, please let me know so, I might check the status of your submissions. They are as important to me as they are to you.

New electronic award recommendations can be made now for Baronial Awards so, please give your fellow Ravens recommendations for Awards so, that Their Excellencies can know and acknowledge their great deeds to our Barony.

Recommend our Ravens for Kingdom Level Awards as well!

In Your Service,

**Lord Lothian ap Lyonesse
Golden Raven Pursuivant**
