**Ravens,**

**We start the new year with anticipation of great things to come. We have nearly completed the Order of the Zephyr of Raven's Cove and will soon be progressing towards our equestrian awards. With the holidays behind us, The Citadel will be hosting armour making/repair nights as well as rapier practices (at least until Lord Juan is confirmed as our Rapier Marshal). Her Excellency and I are looking forward to working with our hopeful Heirs during this coming year and would like to have a "town hall meeting" in July so that the populace has the opportunity to ask questions of those who wish to be our Heirs.**

**We have a busy event season starting soon. We posted the start of Our Baronial Progress on the website and would love to have as many Ravens attending these events with us as possible. We as a Barony have two events on the horizon and we would love to have award recommendations from our populace. Please check the OP prior to making any recommendations. These two events (Unbirthday and The Nine Realms) are working events for us as a Barony. If you have not already stepped up for a position, please contact the event autocrats to see what you can do.**

## From the Seneschal

Dear Ravens,

I hope that your holidays treated you well. I also hope that you had the chance to spend time with family and friends. This year we have a lot of interesting things coming to our barony. We have some events coming up and more plans to build our barony even better. We do have a populace meeting coming up on Jan. 20. Also, be sure to nominate your fellow ravens for both baronial and kingdom awards.

In your service,

**Knutr Vakrsson**

## From the Herald (Golden Raven)

**To the New Year Ravens!**

**I call upon all Ravens of the Cove to make this year anew! A new sense of vigor and zeal for “the Dream”. Gather all ye Ravens and make that thrust to greatness! Our small Barony grows each day and we can grow with it in our heavy fighting, our archery, our rapiers, and in discovering new arts & sciences to learn then, master.**

**Take the first step toward this greatness by submitting your device this year. I am here to help if you will allow me in creating a coat of arms for you and you abne.**

**In your service,**

**Lord Lothian ap Lyonesse**

## From the Chatelaine

**Happy New year Ravens!**

**I hope everyone had a happy and healthy holiday. This past year we have gone through some struggles and set backs but I know that won't stop us from making 2019 a better year. I can not wait to see what the new year has in store for us and to help guide newcomers into our wonderful society.**

**Let's make this a great year, full of personal goals and goals for the Barony.**

**Lady Avelina Farbjor**

## From the Ministry of Arts & Sciences

**Greetings Ravens!**

**A bright and happy new year to all! I hope that Christmas was enjoyable and the holidays have provided a respite. Sadly, our last Sticks and Flicks session had to be canceled due to inclement weather. I am hoping to get that rescheduled soon.**

**I am also thinking of putting together a class about medieval colors and dyed, and hopefully perhaps a session of dyeing with natural dyes. If you are interested in attending, please let me know.**

**Baroness Olwen de Montgomery  
Minister of Arts and Sciences  
Barony of Raven's Cove**

## From the Chronicler

**Greetings Ravens!**

**A New Year is upon us! That means new adventures, new stories, new glory for our fighters and new SCA dreams to dream! Let's make them fantastic and memorable for all.**

**Please submit these great things to me this coming year so, all can experience some small part of the memories.**

**Many events are forthcoming so, let's get busy living "the Dream" for ourselves!**

**I remain,**

**Lord Lothian ap Lyonesse**
