From Your Baroness

Kveðja Wonderful Populace!

We had a fantastic baronial birthday in March! With all of the pomp and fun, I am almost hesitant to let you know that we are now getting ready for WAR!!!!

The Barony of Marinus has been attempting to steal our people, challenge our rights as protectors of the Great Dismal Swamp, and is forcing those who are not out-right taken to wear their baronial colors (they are supposedly trying to "guarantee safe passage" but that should not be a requirement for our own people to travel in safety within our own kingdom's lands!

I therefore charge you all: ready your weapons, prepare your arts. We are heading to war this November for Swamp Wars!!! The event is spiked on the Kingdom calendar! We could use your help with this event if you are interested! Just reach out and let me know! I challenge you all to get your projects and gear ready and start preparing for this fantastic event.

Yours in Service,

Baroness Nezhka Orshinaia

From the Seneschal

In Service,

Lady Freydis Rodmarsdottir
