GREETINGS RAVENS COVE

For the last four years I have acted as Seneschal for Raven's Cove. I am deeply grateful to all of you for your faith in me, your counsel, and your friendship. There have been trying times to overcome and conflicts we have come together to resolve. Though we have been hit hard by the plague and by our Ravens traveling to foreign lands, we have still come

together and persevered. I am very proud of all our members and how we have supported each other over the last four years and look forward to everything we can still do together. I am grateful to their excellencies of Raven's Cove, and all of our Baronial officers for working with me and serving of their time and talents for our barony. I have every faith in Maus as he steps up as Seneschal and will continue to support as he directs.

MESSAGE FROM THE NC REGIONAL DEPUTY SENESCHAL:

Good day to the populace of The Barony of Ravens Cove. I am the deputy kingdom seneschal for the North Carolina Region. I will be administering your baronial polling for your next baronage.

At this time, I am requesting letters of intent to become the next baronage of Ravens Cove. These letters should be sent to [atlantiarsnc@gmail.com] and should include SCA and legal names along with your membership number, a brief introduction and vision statement for the role you intend. These letters will be published and sent to the current Highnesses of Atlantia. These letters will be due 10/7/23 by 11:59PM (23:59).

While you do not have to live within the barony to send a letter of intent, you must reside in the barony to participate in the polling. As in to officially let your opinion be known to the crown. You must also be a paid member of the SCA to participate.

You also will need an ESP account with the kingdom to participate. This is the same account used for university, MOL fighter cards, and used by kingdom polling orders (Golden Dolphin, Knight, etc.). An account can be set up using the kingdom webpage, I'll include a link. If anyone has any issues with the ESP please contact the ESP admin and myself to get the issues fixed as soon as possible.

<https://polling.atlantia.sca.org/>

The polling will be open on 11/11/23 and will end on 12/2/23. If anyone has any questions, please don't hesitate to contact me at the email above or by DM on Facebook.
