- Baronial Policy will be edited based on the comments previously made. Officers will have dedicated sections to review and if necessary revise. Loch will review the doc as a whole after to make sure it is in line with financial policy. It was suggested that any documentation from outside sites/sources will link to original doc so as not to create multiple separate documents.

RECIPE

Dilled Cucumbers

And the daughter of Zion is left as a cottage in the vineyard, as a lodge in the garden of cucumbers, as a besieged city. Isaiah 1:8

The lodge mentioned in this passage is a shelter offered to watch men whose job it was to guard the precious crop of cucumbers.

This green fruit is still as widely popular in middle eastern cooking as it was in ancient times.

RECIPE CONTINUED

1 cucumber

12 olives pitted and coarsely chopped

1 tablespoons red wine vinegar

Two sprigs fresh dill finally chopped

4 ounces goat cheese crumbled

Peel and seed the cucumbers then cut into cubes.

Gently mix the cucumbers with olives vinegar and dill.

Sprinkle with goat cheese.

"Learning is a beneficial occupation. It makes a king of a poor person. It makes an accomplished person of a landless one.

It makes an exalted family of a lowly one.

It makes a wise person of a fool.

Its commencement is good.

Its end is better.

It is respected in this world.

It is precious in the next."
